

Postal Disruption

Due to the Canada Post strike, members will experience delays in receiving mailed communications such as account statements and other banking communications.

We strongly encourage our members to make use of Online Banking and the Ganaraska Financial Credit Union mobile App, where you can view your account transactions, pay bills and print your monthly member statements to name a few services.

Members will also experience delays to some forms of government payment cheques delivered by mail. To limit disruptions, members are encouraged to register for CRA Direct Deposit for secure government payments and to sign up for e-statements via online banking.

Members are responsible for making on-time payments, including credit cards, loans, and mortgages. For any time-sensitive issues, such as mortgage or investment renewals, we will contact you by phone or email.

If you haven't signed up yet, please drop into one of our branches or call 1-888-374-1717 and one of our friendly staff members will be able to assist you.
